Quranic Arabic Grammar Course

By **Admin** — Last updated **May 4, 2026** LEARNING QURAN

Share 0

The Qur'an is the most beautiful gift humanity has ever received. Yet for so many, its beauty remains hidden as translations leave readers with unanswered questions and academic explanations make it seem overly complicated.

Allah Subhanahu Wa Ta'ala choose Arabic as the language of Al Qur'an for the guidance of mankind. So learning Arabic is important to understand the messages of Al Qur'an directly, compared to reading from a translation.
